The phase of sending out of the missionary family

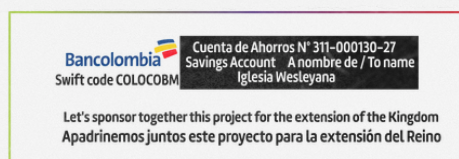

During the first 3 months of this year, the missionary family is living the phase of sending to the mission field.

We thank God because we have seen the answers to the prayers that every Thursday are arranged in unity with the different brethren of the Wesleyan Church of Colombia, and with whom we pray for this move of the Lord for Spain.

We would like to inform you that thanks to 10 family members, 4 friends, 6 churches in Colombia and 8 countries in Latin America, it has been possible to plan the support and sending of the family to begin work in the mission field in the first half of 2025.

Challenges for 2025

- Open doors in each city for the start of small groups.
- Golden contacts to be hosts and leaders in the small groups.
- Obtaining Religious Visa.
- Education for Alish.
- Confirmation of the land that has been laid out for the Base.
- Provision for missionary work in the field.
